JOINT MOTION FOR PROCEDURAL SCHEDULE

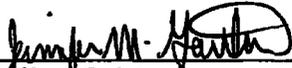

Complainant, TOTAL PETROCHEMICALS INC. ("TPI") and defendant, CSX Transportation, Inc. ("CSXT"), hereby jointly request that the Board adopt the following procedural schedule for the above-captioned proceeding:

Discovery Closes	October 15, 2010
Joint submission of operating characteristics	November 17, 2010
Complainant's Opening Evidence	February 16, 2011
Defendant's Reply Evidence	June 16, 2011
Complainant's Rebuttal Evidence	September 16, 2011
Final Briefs	November 16, 2011

TPI and CSXT have agreed upon this procedural schedule based upon two principal considerations. First, the parties attempted to follow the format adopted by the Board in *Seminole Electric Cooperative, Inc. v. CSX Transportation, Inc.*, Docket No. NOR 42110 (served December 11, 2008) ("*Seminole*"). Second, the parties have attempted to account for the complexity of this proceeding.

The parties respectfully request that the Board adopt this schedule, which they have carefully considered and negotiated to balance multiple factors.

Respectfully submitted,

Jeffrey O. Moreno
